

Boater's welcome guide

Edition 2018/2019

River stop in Marne & Gondoire

You have just moored at the river stop in Lagny-sur-Marne...

Welcome to Marne & Gondoire !

From april to october, the staff of the Marne-et-Gondoire Tourist Office is at your disposal to make sure your stopover goes smoothly :

7 days a week from 9:30 am to 12:30 pm and from 2:30 to 6:30 pm

This little guide contains all the information you will need for your stay. At the Tourist Office, you will find information about all the the fascinating and exciting things to do in Marne & Gondoire. You will also find a shop area, reading material, a relaxation area and a free wifi access.

We wish you a pleasant stopover in Marne & Gondoire.

Please note that the river stop is closed from early november to the end of march. Indeed, the footbridges to access the pontoon are removed during the winter because of the rising waters of the Marne. During that period, the tourist advisors welcome you from 9:30 am to 12:30 pm and from 2:30 to 6 pm, except on monday morning, tuesday morning and sunday afternoon.

River Stop in Marne & Gondoire

Technical sheet

Boats wishing to moor at the site must meet the following requirements:

Maximum length: 19 linear metres

Draught: 1,80 metres

Air draught: 3,60 metres

Mooring is free, but **limited to 48 hours**.

The river stop has **eight docking rings** at your disposal.

Electricity is provided at the rate of 3 € every 24 hours.

Electrical output: 20 A / 250 V

You can also get running and drinkable water at the rate of 3 € every 24 hours.

A free sewage and effluent pump is available on request.

Regulations

The river stop is managed by the Marne & Gondoire Tourist Office.

GENERAL CONDITIONS

The entire waterway network in the area around Lagny-sur-Marne is freely accessible to all motorised pleasure craft, identifiable by a name or registration number. Vessels mooring at the Marne-et-Gondoire river stop must in all circumstances be in order with the French maritime, waterway, customs, tax and other authorities. They must also comply with current requirements concerning safety and fitness to sail.

A) Pontoon access conditions and good use rules

Access to the pontoon is prohibited for non-users.

Users of the river stop may under no circumstances modify the fittings provided. They are bound to immediately notify a staff member of the Marne-et-Gondoire Tourist Office of any damage to the river stop's fittings, whether it was caused by them or not.

They are liable for any damage caused to those fittings. Each vessel must be equipped with sufficient fenders both for its own protection and that of neighbouring boats and the quayside fittings. Any damage due to the absence or insufficient number of fenders shall incur the liability of the vessel's owner. Damage shall be repaired at the expense of those responsible for it. The launching and landing of pleasure vessels are not permitted in the area around the river stop. Staff of the Marne-et-Gondoire Tourist Office can inform you of the nearest boat-launching and overwintering areas.

Boats kept at the river stop are not the responsibility of staff of the Tourist Office, which accepts no liability for any loss or damage not caused by itself or its staff. Marne et Gondoire Tourist Office staff must be able to contact boat owners at any time.

B) Boat damages

In view of the exposure to the wind of masted vessels, the river stop can accept no liability for any damage resulting from gusts of wind or storms.

If a vessel sinks in the area around the river stop, the owner shall be required to have it removed or broken up, having obtained the consent of the river stop management (Marne-et-Gondoire Tourist Office), who will determine the time-limit for the start and completion of the work.

C) Security

The following speed limits shall apply:

- 15 kph (9.5 mph) on the Marne;
- 4 kph (2.5 mph) in the area around the river stop.

Users are prohibited from:

- practice water sports in the area around the river stop. Staff of the Marne-et-Gondoire Tourist Office can inform users about the speed zone on the Marne;
- washing cars, animals or other items on the river stop pontoons;
- washing boats with drinking water from the water points;
- discarding debris, rubbish, liquids (used oil, etc.) or any other materials on the pontoon or in the Marne;
- using the pontoon for storage, even temporarily;
- carrying out repairs or maintenance liable to cause a disturbance to other boaters or the general public. In particular, users are prohibited from using the quays and landing stages for carrying out such work or for storing materials;
- bathing in the Marne: there may be viruses and bacteria in the water which could cause illness either by contact or ingestion;
- fishing in the area around the river stop.

No hazardous or explosive materials may be stored on board of the vessels. Heating, lighting and electrical devices must be compliant with current standards, as must all elements connecting such devices to the river stop's electricity points.

Vessels may only be connected to the power supply when there is someone on board.

In the event of fire or any other accident caused by those devices, on the dock of the river stop or in the urban area nearby, all the boats must take the security measures established by the agents of the Tourist Office which can accept no liability.

In the event of fire on board a vessel, the owner or crew must immediately notify the Lagny-sur-Marne fire brigade on +33 1 60 07 87 30 (or on 18 or 112)

ARRIVAL FORMALITIES

Upon arrival, boats must present themselves to staff of the Marne et Gondoire Tourist Office (at the top of the steps, alongside the Pont Maunoury bridge) in order to complete a boat identification form.

Newly arrived boaters will be provided with a copy of the River stop Regulations and a practical boaters' guide. They must read and understand the regulations and sign an undertaking to strictly comply with them.

The pontoon berths offer access to drinkable water and electricity, each for a fee of €3 a day, payable in advance.

BOAT PARKING TERMS AND CONDITIONS

A) Parking duration

Boat parking at the Marne et Gondoire river stop is free and limited to 48 hours (except exceptional authorisation by the Marne & Gondoire Tourist Office, after a written request at least 15 days before the arrival). In addition, it is compulsory to observe a 12h period between two mooring periods at the river stop, in order to make arrivals and departures flow better. Staff of the Marne-et-Gondoire Tourist Office can inform you of the nearest boat-launching areas.

B) Mooring conditions

Mooring at the river stop is strictly reserved for pleasure vessels less than 19 metres long (actual length, including accessories) that are fit to sail, safe and in a good state of repair, in particular as regards the external appearance of the hull and superstructure.

The staff of the Marne et Gondoire Tourist Office shall be entitled to request, as required, any manoeuvres deemed necessary, at the exclusive expense of the owner and without freeing him of liability.

LIFE AT THE RIVER STOP

A) Features and ways

Household waste and rubbish of any kind should be disposed of in appropriate containers.

Users must avoid any noise which could disturb their neighbours. The volume of radios, televisions, tape recorders, record players or other devices, or musical instruments, must under no circumstances cause disturbance to other users or to the neighbourhood around the river stop. In accordance with the law, any cause of noise is prohibited from 10 pm to 8 am. Outside this period, excessive noise shall be prohibited.

Users, visitors and walkers must wear respectable dress at all times.

Codes of environmental good practice for the users

The walker commits to respect the river stop life:

- preserving boater's quietness;
- using the adapted bins;
- observing the security rules;
- preserving the water without bathing in it.

The boater commits to preserve his environment:

- observing all the environmental and security rules;
- fighting against effluents;
- not throwing anything in the water;
- alerting the staff of the river stop - Marne et Gondoire Tourist Office in case of any pollution;
- using and looking after the available facilities;
- avoiding leaving engines running uselessly (boats, vehicles, machines, etc.) in order to save fuel, limit greenhouse gas emissions and preserve everyone's quietness.

B) Respect current regulations

Generally speaking, any infringement of the General Regulations of the Inland Waterways Police (Règlement Général de Police de la Navigation Intérieure) and any offence committed within the Public Waterways Domain (Domaine Public Fluvial) will be reported and shall be subject to legal action from the Meaux Subdivision of the Seine Waterways Department (Service Navigation de la Seine, Subdivision de Meaux).

For any queries concerning the Public Waterways Domain, or to find out their rights and obligations on the river, boaters can contact Voies Navigables de France, Subdivision de Meaux (phone number: +33 1 60 24 76 76).

By using the facilities each party acknowledges that it has read and understood these rules and undertakes to comply with them.

These regulations have been unanimously approved at the Board of directors of the Marne et Gondoire Tourist Office on March the 4th, 2015.

Please look after the facilities provided and notify us of any malfunction, pollution or other inconvenience liable to harm the environmental quality of the river stop, either in person at the Tourist Office or by calling us on +33 1 64 02 15 15 or on +33 1 60 31 55 70.
